### **Marc de Grazia Selections** (Italy)

[www.marcdegrazia.com](http://www.marcdegrazia.com)

**Marc de Grazia** Italian wines have been selected and promoted since 1980. Represented are over sixty small estates from fourteen Italian wine regions with an emphasis on significant terroirs and a preference for autochthonous varieties: Sangiovese, Nebbiolo, Aglianico, Fiano, Greco, Verdicchio, Garganega, Nerello Mascalese, Nero d'Avola, Frappato to name a few.

The company's efforts are by no means limited to exporting and marketing, but from the beginning the founder, Marco de Grazia, has worked closely with the vigneroni in all phases of production. As a result, the reciprocal care and dedication of the producers in the vineyards and cellars has over the years preferred a steady growth in quality. The estates part of the portfolio are imported world-wide and may be found throughout Western and Eastern Europe, North America, Australia as well as Japan, Hong Kong, South-East Asia, South Korea, Taiwan.
